KORCZAK'S Children

BY JEFFREY HATCHER

MAY 1, 2, 3

PARKVIEW PHYSICIANS GROUP ARTSLAB
300 E. MAIN ST., FT. WAYNE

*A hundred children, a hundred
individuals who are people - not
people-to-be, not people of
tomorrow, but people now, right
today.*

*They are entitled to be taken seriously. They
have a right to be treated by adults with
tenderness and respect, as equals. They
should be allowed to grow into whoever they
were meant to be - The unknown person
inside each of them is the hope for the future.*

*Each person carries and entire world
within himself, and everything exists
twice: once the way it is, the other time
the way he perceives it with his own eyes
and feelings.*

Activities are made possible in part by the Indiana Arts Commission
a state agency, and the National Endowment for the Arts, a federal agency.

PRODUCED BY SPECIAL ARRANGEMENT WITH PLAYSCRIPTS, INC.
