I have been doing assessments for 10+ years! I am comfortable assessing all styles, from school-at-home to unschoolers. I am also adept at performing assessments for those with special needs. Assessments usually take around 1 hour. I go to the local library. And I don't "quiz" the students! It's just an opportunity for the parents/children to "show 'n' tell"!

My fees are \$35 for one; \$45 for two; and \$50 for 3 or more.

Phone: 419-887-1778. Please feel free to call if you have any questions! :)

Perrysburg, OH is my hometown, but I'm happy to meet with anyone in the NW OH or SE MI area!

I have been homeschooling my own kiddos for four years and have experience with my own daughter having a learning disability. I am not comfortable with a "quizzing" style of assessment, but prefer to celebrate your child's accomplishments for the year by taking a look at some of what they've learned! My fees are \$35 for one child, \$50 for 2-3 children, \$60 for 4+. I look forward to serving you!

I'm in West Toledo, but will meet with any families in NW Ohio or SE Michigan. I am comfortable working with families with all types of learning styles. I do not quiz, but rather will be taking a look at all your child has learned and accomplished during the past year. I have been homeschooling for two years myself, so I have experience in both the classroom and homeschooling. My fees are \$35 for one child; \$45 for 2-3 children; \$60 for 4+.
