The Color Purple is an inspiring family saga that tells the unforgettable story of a woman who, through love, finds the strength to triumph over adversity and discover her unique voice in the world. This musical adaptation of Alice Walker's Pulitzer Prize-winning novel (and the popular 1985 Steven Spielberg film) spotlights Celie, a downtrodden young woman whose personal awakening over the course of 40 years forms the arc of this epic story. With a joyous score featuring jazz, ragtime, gospel, African music, and blues, *The Color Purple* is a story of hope, a testament to the healing power of love, and a celebration of life.

This show is free to attend for participants of our In The Wings Arts In Education program. There will be a talkback with cast and crew after the show during which audience members have the opportunity to ask questions about the rehearsal process, set design and construction, costuming, and all other aspects of the production process.
