### Our Mission Statement

The New Heights Educational Group Inc. supports literacy for children and adults by offering a range of educational support services. Such services include assisting families in their selection of schools, organization of educational activities, and acquisition of materials. We promote a healthy learning environment and offer Enrichment programs for families of preschool and school age children, including children with special needs.

New Heights Educational Group, Inc. is a 501(c)(3) educational non-profit organization located in Defiance, Ohio. We provide educational support services beginning 2006 for families in Ohio to bridge the gap from inadequacies in home school, charter school, and public school systems.
